paperway® deluxa bowls

A Pinnacle Innovation

Introducing another innovation by Pinnacle Packaging. Australia's first Paper Bowl, the Paperway Deluxa Bowls.

The Deluxa Bowls are ideal for hot soups or cold salads, in fact they are a great all-rounder in your busy kitchen.

Providing a perfect and prestigious presentation to your foods. The Deluxa Bowls offer a breath of fresh air against the old-fashioned plastic bowls, creating a valued contribution to your fresh foods and an extra benefit, greatly reducing your plastic footprint.

Each bowl has its own specific PP lid to protect against spills and ensure your food arrives to your customers destination the way it left your kitchen. Deluxa Lids are made from study PP material allowing them to be microwavable and freezer safe.

Finally, there is now a Prestigious Paper Bowl in the market that can be custom printed to promote your brand.

Make the switch from plastic, lead from the front, don't follow the pack!
