**LOOSE WOODEN CUTLERY**

Helping you comply with plastic cutlery bans!

The Bioway™ wooden cutlery range is a sleek modern design of high quality which is compostable and FSC® certified.

Using only responsibly sourced birchwood, the Bioway™ Wooden Cutlery is non-coated and a great eco-friendly alternative to plastic, helping you comply with recent changes. It is rigid by design and retail ready.

Bioway™ 'is the only way' with wooden cutlery.
