## paperway®

Bio way® White Paperway Rectangular Containers and Paper Lids provide sustainability by using a plant-based PLA lining to “help reduce plastic” and can be composted and recycled.

The perfect container for foods with High Fats and wet resistance and can be combined with a Bio way® White Paperway Lid or clear RPET Lid.

Bio way® containers are available in sizes of 500, 650, 750 and 1000ml all with the same profile and one lid fits all which can be both frozen and are microwave safe.

Ideal for both hot and cold foods and the perfect container for home and ready meals.

Custom branding available for both container and paper lid upon request.

Bio way® Paperway PLA lined containers and lids are another first to market by Pinnacle.
